

Manauwar Alam *Junior AI/ML Engineer*

manauwar04031193@gmail.com 7488462797 Manauwar Alam
 Manauwar Alam Delhi NCR | Bengaluru | Kolkata

PROFESSIONAL SUMMARY

Customer-focused and detail-oriented professional with experience in customer service, cash handling, data processing, documentation, reporting, and client query resolution. Skilled in MS Excel, data management, communication, and maintaining accuracy in operational processes. Seeking an opportunity in Branch Banking to contribute to customer relationship management, branch operations, sales support, and service excellence.

EDUCATION

Vishlesan i-Hub, IIT Patna 12/2025 – 07/2026
Certification in Artificial Intelligence & Machine Learning

Bachelor of Computer Application 01/2010 – 01/2015
Nilamber pitamber University Medininagar

Networking 06/2014 – 07/2014
Briztech Info Systems Pvt.Ltd
Completed practical training in computer networking, LAN setup, IP addressing, TCP/IP, network configuration, and basic troubleshooting.

SKILLS

Customer Relationship Management | Customer Service & Query Resolution | Branch Banking Operations | Cash Handling & Payment Processing | Documentation & Data Management | MS Excel & Reporting | Data Entry & Database Accuracy | Cross-Selling & Sales Support | Communication & Team Collaboration | Problem Solving & Attention to Detail | Process Compliance | Time Management

PROJECTS

Data Acquisition and Exploratory Analysis

- Collected, cleaned, and prepared datasets for machine learning workflows. Performed exploratory data analysis, identified patterns, handled data quality issues, and generated insights using Python libraries such as Pandas and NumPy.

Supervised Machine Learning Model

- Built, trained, and evaluated classification and regression models using Python and Scikit-learn. Performed data preprocessing, feature engineering, model training, hyperparameter tuning, and evaluation using accuracy, precision, recall, F1-score, and cross-validation techniques.

Advanced Modeling

- Developed complete machine learning pipelines using ensemble techniques, hyperparameter tuning, and model optimization. Implemented algorithms such as Random Forest and Gradient Boosting, performed cross-validation, feature selection, and evaluated models using performance metrics for improved accuracy and generalization.
- Tools Used:** Python, LangChain, LangGraph, OpenAI API, Hugging Face Transformers, Sentence Transformers, ChromaDB, Vector Database, FastAPI, Jupyter Notebook, Pandas, NumPy, Scikit-learn, Git/GitHub

PROFESSIONAL EXPERIENCE

McGraw Hill Education System 06/2020 – 08/2022
TECHBOOKS INTERNATIONAL PVT. LTD. Noida

Prepared and managed digital educational content and assessment materials while maintaining high standards of accuracy and quality.

- Performed data entry, content validation, documentation, proofreading, and formatting activities.
- Maintained accuracy and quality while handling large volumes of information.

- Collaborated with team members to ensure timely completion of assigned tasks and operational requirements.
- Developed strong attention to detail, documentation, and process management skills.

Desktop Operator

01/2018 – 06/2020
Noida

APTARA CORPORATION PVT. LTD. (VIA ENRICH ENTERPRISES)

- Manage end-to-end data processing operations, maintaining high standard database accuracy and processing velocity.
- Generate and compile complex daily productivity reports for upper management utilizing advanced MS Excel functions (VLOOKUP, Pivot Tables).

Service Crew & Cashier

02/2016 – 01/2017
Ranchi

MITHILA RESTAURANT

- Handled cash register operations, daily receipt reconciliations, and secure electronic payment processing accurately.
- Maintained high customer satisfaction in a fast-paced environment, addressing billing queries and resolving issues swiftly.

Storekeeper & Cashier

02 Jan 2015 – 15 Jan 2016
Ranchi

CHANDAN CONSTRUCTION COMPANY PRIVATE LIMITED

- Managed inventory records and maintained accurate stock documentation.
- Handled cash transactions, payments, and basic financial records.
- Maintained proper documentation and record management for daily operations.
- Assisted with stock verification, inventory tracking, and data entry.
- Ensured accuracy in cash handling, records, and transaction-related documentation.

TECHNICAL SKILLS

MS Excel & Reporting: VLOOKUP, Pivot Tables, Reporting | **Data Management:** Data Entry, Database Accuracy & Validation, Documentation & Record Management | **Programming & Data Analysis:** Python, SQL, NumPy, Pandas, Data Cleaning, EDA, Feature Engineering | **Machine Learning:** Regression, Classification, Supervised Learning, Model Training, Hyperparameter Tuning, Cross-Validation, Model Evaluation, Random Forest, Gradient Boosting | **Deep Learning:** TensorFlow, PyTorch, Neural Networks, Computer Vision | **Generative AI & LLMs:** LangChain, LangGraph, OpenAI API, Hugging Face Transformers, Sentence Transformers, Prompt Engineering | **RAG & Vector Databases:** RAG, ChromaDB, Vector Databases, Embeddings, Semantic Search, Cosine Similarity | **Model Deployment & APIs:** FastAPI, Flask, Model Inference, Batch Prediction, Real-Time Prediction, REST APIs | **Tools & Workflow:** Git, GitHub, Jupyter Notebook, Virtual Environments, Docker, VS Code

CERTIFICATE

- Artificial Intelligence & Machine Learning Certificate
- Advanced Diploma in Computer Applications Certificate

DECLARATION

I hereby declare that the information furnished above is true and accurate to the best of my knowledge and belief.
